## School Report.

---

The school board hereby submits the following report for the year ending Feb. 15, 1908:—

Schools have been maintained in all districts (except Locke's Corner, where the children were provided with better advantages at less expense at New Durham and Alton) for 27 weeks in the year.

At the first meeting of the board in August, Mr. Hutchinson resigned, much to the regret of other members of the board, as he was an earnest and valued member. To fill the vacancy one was selected whom the board knew to be interested in the work and faithful to his trust—Mr. Enos George.

Several changes in teachers have been necessary, but all schools have been supplied with the best available talent, for when compelled to look for a new teacher to fill a vacancy it was found necessary to delay the school several weeks or convey those of the smaller one to another school. And we think this will be the only practical solution of the small school problem, viz: the conveying of children to a more central point where they will have the benefit of better teachers, and competition in school work.

We are glad to note the interest taken in the schools by both teachers and pupils, and earnestly urge the parents and friends to visit the schools and suggest to the teachers that evening exercises be held occasionally when more of those interested may be able to attend.

Supplies have been bought for the remainder of the school year ; new text books will be bought to take the place of those which have seen their best days. A commodious book closet has been built in the Centre schoolhouse for the unused books and supplies. Repairs have been made at White Oaks, Locke's Corner, Pitman, and Shackford Corner, and others need to be made at once.

The Parade, Centre, Dennett and Bickford need painting, beside other necessary repairs.

One of the most pressing demands in the schoolhouses is new blackboards, and we would suggest that an appropriation be made for the purpose at the town meeting.

We feel confident that the work of the schools during the past year has been equal to that in previous years, and that each member of the board has been faithful to his trust.

Respectfully submitted,

CORAN K DAVIS	}	School

ENOS GEORGE		Barnstead.
